ABOUT ME

Creative Designer & Web Developer with over 3 years of experience in front-end development & graphic design. Proficient in HTML, CSS, JavaScript, and React.js, with a strong foundation in UI/UX design principles. Demonstrated ability to teach complex technical concepts & mentor students in design and development skills. Adept at collaborating with cross-functional teams to deliver high-quality digital solutions. Committed to continuous learning and staying updated with industry trends to enhance technical expertise and design capabilities.
